SUMMER CRICKET COACHING CAMP 2010

World Cricket Academy (WCA)

- Mission -“To provide quality coaching and cricketing facilities for any individual or team wanting to experience and learn the skills of cricket and its unique cultures in a variety of different countries.”
- Launched in 2002 as the world’s first international independent residential cricket education programme. Provided programmed coaching for both professionals and juniors including special programmes for players from English county sides such as Essex with Graham Gooch and Middlesex with John Emburey, followed by professionals from Nottinghamshire, Kent, Sussex, Gloucestershire, Leicestershire, Lancashire, ECB Academy and the MCC young cricketers.
- The growing list of alumni now includes Test and One-Day International players.
- The WCA was the Official Tour Organiser for the Lords & Commons Cricket Tour of India.
- Currently most WCA programmes are also run out of our centres in India at the prestigious Cricket Club of India and Bombay Gymkhana in Mumbai and offer excellent facilities and conditions for winter and spring development and training, as well as, pre-season fitness.

Bowling tips by WCA spin bowling coach, N Hirwani

Youth Development Programme (YCD)

- Is a development programme, **for individuals** from all over the world, wanting to learn and experience playing cricket in a new culture and environment.
- The programme is spilt into two halves with the primary focus on coaching followed by matches.
- The WCA aims to strike a balance between development of the individuals cricket, and learning the nuances of a foreign country and culture. There is constant interaction with locals in the form of matches as well as practice where culture is shared; leading to the development of new friendships.
- The WCA treat this cross-cultural interaction an integral part of its programme, leading to the growth of tomorrow's cricketers and youth. (WCA's YCD programmes run in a variety of age groups U15's U17's and U19's).

The WCA special learning sessions with special learning equipments
